HER BODY FOUND

Mary Gibbons Believed to Have Taken Carbolic Acid on Account of Disappointmentin a Love Affair.

The body of Mary Gibbons, a cook, was found to-day on the roof of No. 149 West Twonty-eighth street.

There were no marks on the body, but it was assumed that she had killed her-

self. She threatened to commit suicide last night because she said the man she

loved had thrown her over.

The woman lived at No. 142 West
Twenty-eighth street with Mrs. Francis Connelly. She told Mrs. Connelly and Lizzle Calhoun that she was tired of She bought a bottle of carbolic acid in

a drug store at Seventh avenue and Twenty-eighth street. Then she went to Forty-sixth street and Eighth avenue, where she met a man, said to be

married. She quarrelled with him and threw some of the acid on him. She ran awa; and he complained to the West Thirtleth Street Station. She was not seen again until found dead. She undoubtedly reached the roof of No. 142 through the scuttle of the house in which she lived.

FUNERAL OF MRS. GOLDNER

Queens Borough Officials Attend in a Body.

Official business in the Borough of Queens was practically at a standstill this morning, as heads of departments and other officers were attending the funeral services of Mrs. Catherine Goldner, the mother of former Sheriff Mat-thew Goldner, from her late residence in Bradley avenue, Long Island City. The services were held in St. Raphael's Roman Catholic Church, near Calvary Cemetery, where the interment was made.

"MY LITTLE GIRL,"

writes a Passaic commuter, "burned her finger very severely; a big blis-ter puffed up and the child screamed with pain. I ran for the bottle of Electrozone, wet a cloth with it and bound it around the child's finger. She stopped crying almost immediately. In ten minutes the blister was entirely flattened and every bit of soreness gone from the burn. Your preparation is certainly a wonderful discovery." All druggists sell Electrozone. 50 cents a quart bottle. You can use it in a hundred ways, for it never in ures. Pamphlet free. The Chemical and Electrical Co., 415 Lexington Ave., New York
